print(response)
```

Based on the information provided, it is not possible to determine if the sentence "communication to Authorized Users" satisfies the rule R4 – The DPA shall contain the nature and purpose of the processing (Art. 28(3)). The sentence alone does not provide enough context to assess compliance with the specific rule. To determine compliance, it would be necessary to review the entire Data Processing Agreement (DPA) and assess if it adequately describes the nature and purpose of the processing as required by Art. 28(3) of the applicable data protection re

```
In [11]: system_message = f"""
You are a legal expert and your task is to check compliance
"""
user_message = f"""\
Does this sentence: communication to Authorized Users
from this text: The transferred Personal Data is subject to the following basic processing activities:
use of Personal Data to set up, operate, monitor and provide the Cloud Service (including Operational and \
Technical Support)
provision of Consulting Services;
communication to Authorized Users
satisfy this rule: R4 – The DPA shall contain the nature and purpose of the processing. (Art. 28(3))
?"""
messages = [
    {'role': 'system',
